

# Royan International Hybrid Congress (7-9 September 2022)

18<sup>th</sup> Royan International Congress on Stem Cell Biology & Technology

23<sup>rd</sup> Royan International Congress on Reproductive Biomedicine

<b>Wednesday</b> <i>(7 September, 2022)</i>	Hall	8:30-10:30	10:30-11:00	11:00-13:00	13:00-14:00	Hall	14:00 – 16:00	16:00-16:30	16:30 – 18:30	
	Hall 1	<b>Keynote Opening</b> <i>(Joint Session for Two Congresses)</i>	Coffee Break & Exhibition & Poster Reading	<b>Award Ceremony (Hall 1)</b> <i>(Joint Session for Two Congresses)</i>	Lunch Break & Exhibition & Poster Reading	Hall 1	<b>Biofabrication</b>	Coffee Break & Exhibition & Poster Reading	<b>Controlled Delivery Systems</b>	
	Hall 2	Cryopreservation for adult and prepubertal patients at risk of infertility		Reproductive animal biotechnology: implications and potentials		Hall 3	Male infertility: pathogenesis, diagnosis and treatment		Introduction and treatment management in Diminished Ovarian Reserve	
	Reproductive animal biotechnology: implications and potentials		Introduction and treatment management in Diminished Ovarian Reserve		Male infertility: pathogenesis, diagnosis and treatment		Introduction and treatment management in Diminished Ovarian Reserve		Introduction and treatment management in Diminished Ovarian Reserve	
	Reproductive animal biotechnology: implications and potentials		Introduction and treatment management in Diminished Ovarian Reserve		Male infertility: pathogenesis, diagnosis and treatment		Introduction and treatment management in Diminished Ovarian Reserve		Introduction and treatment management in Diminished Ovarian Reserve	
	Reproductive animal biotechnology: implications and potentials		Introduction and treatment management in Diminished Ovarian Reserve		Male infertility: pathogenesis, diagnosis and treatment		Introduction and treatment management in Diminished Ovarian Reserve		Introduction and treatment management in Diminished Ovarian Reserve	

# Royan International Hybrid Congress (7-9 September 2022)

18<sup>th</sup> Royan International Congress on Stem Cell Biology & Technology

23<sup>rd</sup> Royan International Congress on Reproductive Biomedicine

Thursday (8 September, 2022)	Hall	8.30 - 10.30	10:30-11:00	11:00-13:00	13:00-14:00	Hall	14:00 – 16:00	16:00-16:30	16.30 – 18:30
	Hall 1	Molecular Biomedicine	Coffee Break & Exhibition & Poster Reading	Extracellular Vesicles	Lunch & Prayer	Hall 1	Regenerative Medicine Products	Coffee Break & Exhibition & Poster Reading	Regenerative Medicine
	Hall 2	Endometriosis: clinical presentation and imaging features		Lab strategies towards single embryo transfer		Hall 2	Repeated Implantation Failure (RIF) and Recurrent Spontaneous Abortion (RSA): clinical and molecular aspects		Short oral presentation with best posters
	Hall 3	Reproductive genetics		Metabolic disorders in reproductive health		Hall 3	Improving fertility following reconstructive surgeries		Latest Achievements in Infertility

Royan International Hybrid Congress (7-9 September 2022)

**18<sup>th</sup> Royan International Congress on Stem Cell Biology & Technology**  
**23<sup>rd</sup> Royan International Congress on Reproductive Biomedicine**

<b>Friday</b> <i>(9 September, 2022)</i>	<b>Hall</b>	<b>8.30 - 10.30</b>	<b>10:30-11:00</b>	<b>11:00-13:00</b>	<b>13:00-14:00</b>
	<b>Hall 1</b>	Materials Science in Tissue Engineering	<b>Coffee Break</b>	Organoids	<b>Closing Ceremony</b> (Hall 1)
	<b>Hall 2</b>	Challenges affecting outcomes of ART cycles; Proven and unproven methods for diagnosis and treatment of infertility		<b>Keynote on Reproductive Biology</b> <i>(Join Hall 2 &amp; 3)</i>	
	<b>Hall 3</b>	Animal models and reproductive medicine
